

Pro EZ Release

(Deeper Embossed Polypropylene Film)

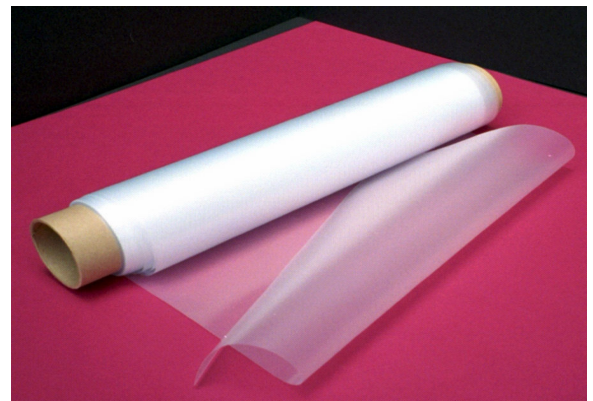

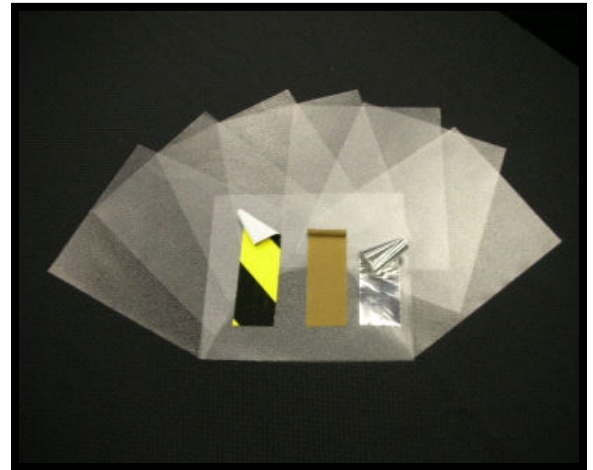

Pro EZ Release film has a deeper embossed surface that is ideal for applications requiring durability, scratch resistance, excellent contact clarity and a quicker, easy release. Pro EZ Release film is economically priced.

Application:

- Specifically designed for pressure sensitive adhesive tapes

Advantages:

- Superior carrier film for decals and graphics
- Unwinds well - even with aggressive adhesives
- Easier release than standard orange peel embossed film
- 2-3 times the embossing depth of our standard orange peel film
- Excellent scratch resistance
- Good contact clarity
- Low cost
- Copy safe - will not lift print
- Acid free - contains no PVC
- Excellent chemical resistance
- Recyclable

Specifications:

- **Pro EZ Release Deeper Embossed** cast polypropylene film
- Colorless film is standard
- Custom colors are available upon request
- Thickness range: 2 mil to 12 mil thick
- Standard web widths: * 69" to 75" wide web
(Material can be slit in-line to custom roll widths.)
