# RUSTY RED SM

Rusty Red Super Matte is a perfectly on trend nuanced red that is an opaque soft mix of red and brown. This earthy expressive shade imparts a luxurious feel, especially paired with woodgrains and marble finishes and is perfect both for residential and resimercial/hospitality spaces. Warm undertones and subdued charm creates a sophisticated, versatile complement to a variety of design styles, acting like a pinch of spicy chile to a warm Mexican crafted hot chocolate.

SSI's Super Matte finish has the look and feel of a high quality painted finish but with superior performance. It is easy to clean, doesn't chip, is highly durable and has long term color stability and consistency.
