## STORMY NIGHT

Stormy Night is a deep coloration with inviting hints of soft grey detailing, adding moodiness and dimension. This woodgrain design is accented by beautiful cathedrals which are enhanced by the latest modern woodpore texture, contributing to its appealing haptic quality while offering a grounded backdrop for heritage and vintage interiors. Stormy Night is featured in SSI's Collection trend and is partnered here with the solid super mattes Ivory Beige, Living Coral and Verde.

Stormy Night is offered in a furniture like textured finish and is suitable for vertical and horizontal applications. It is easy to clean, doesn't chip, is highly durable and has long term UV Stability.
